## INLIGTING AANGAANDE DIE NARKOSE EN TARIEWE

Geagte Pasiënt,

Venter Anaesthetic Associates, (voorheen Celliersstraat Narkose Dienste) is 'n praktyk wat uit Spesialis Narkotiseurs bestaan met 'n gemiddeld van 15 tot 30 jaar ervaring elk.

Ons praktyk van spesialiste sal deel wees van die chirurgiese span wat op u gaan opereer. Ons streef daarna om 'n professionele diens te lewer en uitmuntende mediese sorg te verskaf.

Venter Anaesthetic Associates, (voorheen Celliersstraat Narkose Dienste) vra 'n standaard tarief vir alle pasiënte, ongeag die pasiënt se mediese fonds voordele. Sekere mediese fondse en –versekering sal die volle koste dek van ons dienste, waar ander mediese fondse (ongeach die plan) sal slegs 'n gedeelte van die totale narkose koste dek. Die pasiënt is en bly dus verantwoordelik vir die vereffening van die narkose rekening of enige uitstaande balans.

Hiermee word u vriendelik versoek om ons praktyk te kontak **voordat** u die operasie ondergaan. Ons sal u graag van 'n estimasie voorsien aangaande die narkose koste. Die estimasie word gebaseer op tyd sowel as die spesifieke prosedure waarvoor u opgeneem word. Neem asb kennis, dat die finale rekening dus kan verskil van die estimasie wat voor die operasie gegee is.

Baie sterkte en ons wens u 'n spoedige beterskap

## INFORMATION ON ANAESTHETIC SERVICES AND RATES

Dear Patient,

Venter Anaesthetic Associates (formerly Celliersstraat Narkose Dienste) is a firm consisting of Specialist Anaesthetists with an average of 15 to 30 years' experience.

Our firm of Specialists will be part of the Surgeons' team that will perform your operation. We strive to provide a professional service and optimal medical care. Venter Anaesthetic Associates (formerly Celliersstraat Narkose Dienste) charge a standard tariff for all patients, irrespective of the patients' Medical Aid benefits. Some Medical Aids and insurance policies will cover the full rate of our services, and other Medical Aids (regardless of the benefit option) will only pay a portion of the total cost. The patient is and remains ultimately responsible for the payment of the anaesthetic account and/or outstanding fees.

We therefore kindly request you to contact the office of Venter Anaesthetic Associates (formerly Celliersstraat Narkose Dienste) before surgery for an estimation of your anaesthetic account. Estimations are based on time and procedure requirements. Therefore, kindly take note that your final account may vary from the estimated amount provided before surgery.

Warm regards and we wish you a speedy recovery after your surgery.

Yours faithfully

**VENTER ANAESTHETIC ASSOCIATES**
